[Github Repo](#) | [Live Demo](#)

HOMMYCOOK, *Manama, Bahrain*

**CEO**, Jan, 2017 – Jan, 2019

- Built a creative startup and expanded to 18 cities in less than 12 months.
- Increased Monthly Recurring Revenues to 60% by using problem-solving techniques.
- Got my first investment by good management of time, hitting our milestones in time, and through my active communications with many investors.

SAAD GROUP, *Remote*

**Deputy Systems Manager**, Jan, 2015 – Nov, 2017

- Led a team of professional systems engineers to help SAAD Hospital in receiving accreditation from the Joint Commission International (JCI).
- Increased system availability rate to 97% in all business units by using problem-solving techniques.
